Cedar Mountain

860-667-4453

<http://jeffersonhouse.org/cedarcomm.htm>

Cedar Mountain Commons is located on John Stewart Drive, directly adjacent to Jefferson House in Newington, Connecticut. This location provides easy access to shopping, medical offices, and other amenities offered in downtown Newington. Each resident enjoys the privacy of his/her own studio, one-or two bedroom apartment with all the benefits of a full-service community. The community offers seniors and their families a choice of programs tailored to suit the individual's needs. The independent living program is planned with the active senior in mind. Cedar Mountain Commons offers a service-rich environment which allows residents the freedom to do the things they enjoy most without all the worry of upkeep, security or unexpected financial burdens of residing in their own home. Cedar Mountain Commons also offers residents and their families peace of mind in knowing that assisted living is available within the community should the need arise. The assisted living program is designed to promote the

HEBREW HEALTH CARE
for health, for life

Hebrew Health Care

860-523-3800

<http://www.hebrew-home-hospital.org>

Founded in 1901, Hebrew Health Care is a non-sectarian organization dedicated to assuring the best care for the frail elderly and to adults of any age with chronic illness. Located in West Hartford, Hebrew Health Care provides special units for chronic disease, Alzheimer's, dementia, subacute care, restorative care, psychiatric protective care, palliative care and skilled nursing. Through its continuum of health care services the Home is able to manage any health issue not requiring acute hospital care. The Community Outreach Program for the Elderly, an affiliate of the Home, helps people remain safely in their own homes, providing families and caregivers with support and respite. Hebrew Health Care is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Hebrew Health Care's subacute care unit is also accredited by the Joint Commission on Accreditation of Healthcare Organization (JCAHO).

Jefferson House

860-667-4453

<http://www.jeffersonhouse.org>

The Jefferson house was originally located on Hartford's Jefferson Street, Jefferson House, a department of Hartford Hospital, was created in 1873 by the special act of the Connecticut Legislature. The facility is now located in the center of Newington, but the philosophy behind Jefferson House - to serve the older citizens of Greater Hartford - has never varied, evolving only to take advantage of knowledge and to meet the needs of an expanding and changing population of elderly. Four basic types of service are provided: rehabilitative care, palliative care, long-term care and adult day health care. Jefferson House is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

Sharon Health Care Center

860-364-1002

http://umh.org/nursing_rehab/sharon_health_center.htm

Sharon Health Care Center is an 88-bed skilled nursing facility in Connecticut's northwest corner, near the New York border. Located across the street from Sharon Hospital, the health center offers residents long and short-termed skilled nursing care, rehabilitation, respite care, hospice care, pain management, intravenous therapy, massage therapy and home evaluations. Built in 1991, SHCC is one of the most modern facilities in the state. Patient's rooms are sunny and spacious, with areas for socialization with friends and family as well as private space to be alone. The breadth and depth of the services, staff and resources set our facility apart. Supportive services include therapeutic recreation programs, support groups and an on-site beautician and barber services. The staff has a distinctive blend of professionalism, expertise, enthusiasm, friendliness and perseverance that helps motivate patients and bolster their spirits. Sharon Health Care Center is among an elite group of long term care facilities accredited by the national Joint Commission in Accreditation of Healthcare Organizations (JCAHO).
